

Säkerhetsslussar Säkerhetsdörrar Säkerhetskaruseller

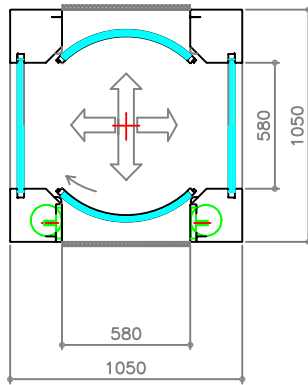

Av säkerhetsskäl vill vi inte redovisa detaljer på följande sidor eftersom vi värnar om vår leverantörs och våra kunders sekretess.

Generellt kan man dock säga att alla typer kan försees med skottsäkert glas. Många kan dessutom försees med metalldetektor, kontroll av en person per passage eller om föremål lämnats kvar i slussen.

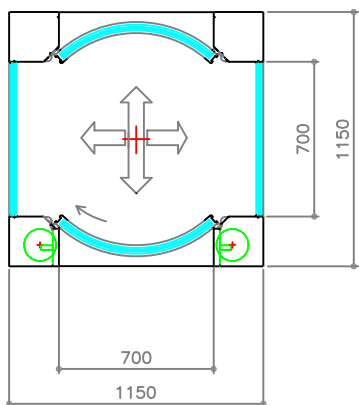

För närmare information kontakta Intergate.
